“ IN RETROSPECT, THE MOST MEANINGFUL THING I LEARNED IS THAT THERE IS SO MUCH TO LEARN. I LOVE LEARNING, AND I WILL NEVER STOP LEARNING. ”

Students gather near Bruin Cafe. Outdoor tables and umbrellas make the area an informal gathering place.

FIRST-YEAR EXPERIENCE

The first year at UCLA is the first year of a great adventure. Students find friends, their academic passion, even their lifelong mission in this diverse community of highly motivated scholars. With 127 undergraduate majors and more than 3,900 courses, UCLA offers an unparalleled range and variety of study options. No other university does more to give students an extraordinary academic and personal growth experience.

Most freshmen begin their academic program during the summer in New Student Orientation, where 95% of new freshmen meet with academic advisers and sign up for their first classes. Beginning in Fall Quarter, the True Bruin Welcome, Fiat Lux and Cluster Classes, and Common Book Program provide shared experiences that set many freshmen on the path to their future. New transfers come to UCLA already accomplished in their fields and prepared for advanced instruction that further hones their expertise and focuses their direction.

Whether coming to campus as freshmen or transfers, UCLA students can expect to strengthen both academic and interpersonal skills, build supportive relationships, and complete their undergraduate experience with a profound sense of belonging and accomplishment.

TRANSFERS

Transfer students enter UCLA as juniors (third-year students), having taken enough courses at another institution to finish a bachelor's degree in two more years.

In Fall 2016, transfers accounted for 34% of new undergraduates, with 92% coming to UCLA from 101 different California Community Colleges, making a total of 97% from California's system of

public higher education—including 13 California State Universities and all 8 of the other UC campuses offering undergraduate programs.

In the degree year 2015-16, 35% of bachelor's degree recipients had started UCLA as transfer students. Academic outcomes for transfers are comparable to those for freshman entrants.

MAJORS

The College of Letters and Science is home to most UCLA undergraduate majors, while specialized schools provide additional degree options. The newest of these, the UCLA Herb Alpert School of Music, formally opened Winter 2016, offering bachelor's degree programs in Music, Music History, and Ethnomusicology,

as well as minors in Music History and Music Industry. The School of Music joins four other distinguished schools offering undergraduate majors—the Henry Samueli School of Engineering and Applied Science, School of Nursing, School of the Arts and Architecture, and School of Theater, Film, and Television.

IN FALL 2016, UCLA OFFERED MORE THAN 125 UNDERGRADUATE MAJORS.

THESE WERE THE TOP 10.

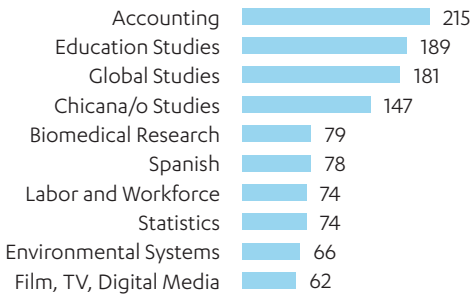

Kayaking at UCLA Recreation's Marina Aquatic Center.

MINORS

UCLA offers more than 90 undergraduate minors—programs that provide in-depth study in a subject outside the major without the level of coursework required to complete a second major. One in four undergraduates completes a minor program in addition to the degree major.

TOP 10 MINORS

Minors are offered by the College and three schools with undergraduate majors—the School of the Arts and Architecture, the Herb Albert School of Music, and the School of Theater, Film, and Television. Professional schools that don't have undergraduate programs—Management, Education and Information Science, Public Health, and Public Affairs—offer minors to undergrads who want to explore these advanced fields. Minors such as “Food Studies” and “Disability Studies” are interdisciplinary programs designed by collaborating faculty from different fields of study.

UNDERGRADUATE RESEARCH OPPORTUNITIES

Many undergraduates think of research as something reserved for graduate students, but more than half of UCLA bachelor's degree recipients graduate with research experience. At UCLA, research experiences are available to undergraduates through specialized courses, seminars, tutorials, and departmental honors programs. Two undergraduate research centers—one focused on science, math and engineering and the other on the arts, humanities and social sciences—give students access to research projects, scholarships, and other opportunities. Working with a professor on a research project is not just for graduate students; from their first day at UCLA, new freshmen and transfers can participate in research or creative projects under the direction of a faculty mentor through the Student Research Program.

UNDERGRADUATE EDUCATION AND INITIATIVES

- 2,500 instructional faculty teaching 3,900 courses in more than 125 undergraduate majors.
- 19 faculty in residence living on campus and providing academic programming in the residential area in addition to regular classes on campus.
- Entrepreneurship minor and programs designed to give students opportunities to learn the basics of startup thinking and to provide a community where students can develop and launch their ideas.
- Up to 200 small-group seminars with faculty from across the campus through the *Fiat Lux* Program.
- UCLA Cluster Programs, year-long learning communities focused on interdisciplinary themes of ensuring importance.
- University Studies, courses specifically designed to help students transition into and succeed at UCLA.
- Honors programs tailored to the student's preferences in fulfilling coursework requirements and commitments.
- Capstone majors available in all undergraduate divisions, including research, creative performances, product designs, community service, and leadership projects.

FINANCIAL AID

In the 2016-17 academic year, 15,844 undergraduates (more than 52%) received need-based scholarship or grant aid, with an average award of \$19,577. Of UCLA's 2015-16 graduating class, 58% had no student loan debt, and the 42% who did borrow had an average debt of \$21,323—well below the national average of about \$37,172.

Thanks to UCLA's Blue + Gold Opportunity Plan, California residents whose family income is less than \$80,000 are guaranteed grants (Institutional, Federal, and State) that fully cover UC tuition and fees. More than 35% of undergraduates receive a Federal Pell Grant, and roughly half work part time to help meet college costs.

ACTIVITIES OUTSIDE THE CLASSROOM

Student Groups:

- From the Engineering Society to Grupo Folklorico to UCLA Wushu, more than 1,000 student groups offer every undergraduate a place to find kindred spirits.
- 75% of undergraduates participate in student clubs or organizations; 37% are active more than 5 hours a week.

Community Service:

- The Center for Community Learning provides opportunities to earn academic credit while engaging in community service.
- 64% of undergraduates perform community service or volunteer activities; 24% spend more than 5 hours a week on service activities.

Work:

- The Career Center supports Bruins applying for internships and experiential learning options.
- 49% worked for pay; 26% did paid work related to their academic interests.

Recreation:

- UCLA Recreation affords access to world-class facilities and organized activities, both on and off campus. The Club Sports program consists of more than 50 clubs and nearly 5,500 participants.
- 85% engaged in some form of physical exercise or recreational sport; 35% exercised more than 5 hours each week.

“ I FOUND AN INTEREST I WILL BE PASSIONATE ABOUT THE REST OF MY LIFE. I MET PEOPLE I HOPE TO STAY IN CONTACT WITH LONG AFTER GRADUATION. I LEARNED ABOUT OTHERS’ EXPERIENCES AND I LEARNED ABOUT MYSELF. I LEARNED ABOUT WHAT IT MEANT AND WHAT IT FELT LIKE TO BE DEDICATED TO SOMETHING GREATER THAN MYSELF. ”

GRADUATION RATES

With graduation rates for undergraduates at UCLA now exceeding 90% for both freshmen (six-year rate, includes time off) and transfers (four-year rate, includes time off), average time to degree continues to improve. Below are the most recent freshman and transfer graduation rates:

FRESHMEN

77% graduate in 4 years or less
89% within 5 years
91% within 6 years
93% eventually graduate from UCLA

TRANSFERS

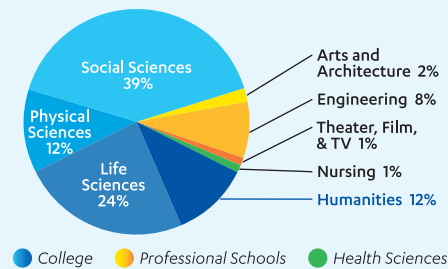

65% graduate in 2 years or less
89% within 3 years
91% within 4 years
94% eventually graduate from UCLA

Graduation rates and time-to-degree data are based on bachelor's degrees awarded through Summer 2016.

UNDERGRADUATE DEGREES

Degrees awarded from Fall 2015 through Summer 2016. Data current at time of print.

FIRST GENERATION

Nearly one-third of undergraduates earning a degree in 2015-16 were first-generation college graduates, with neither parent having a 4-year degree. These students were well represented by both freshmen and transfers, with 54% of first-generation graduates starting as freshmen, and 46% starting as transfers. The most recent graduation rates for first-generation degree recipients are 88% (six-year) for freshman entrants and 87% (four-year) for transfers.

SUMMER

Summer programs continue to be popular at UCLA. Nearly 80% of undergraduates complete at least one Summer Sessions course as part of their studies. More than 11,500 UCLA undergraduates attended Summer Sessions in 2016. Students may participate in summer programs at any point during their undergraduate careers, which can assist in managing their degree progress.

From the College Summer Institute, which enrolls participating freshmen in classes for credit prior to their first Fall Quarter, to Summer Travel Study, where students earn credit for academic courses taken abroad, summer programs provide flexibility and variety. More than 1,200 of UCLA's academic courses—including online classes and courses from every College division and every professional school with an undergraduate program—are offered during the summer in two sessions.

TIME TO DEGREE

UCLA students who focus on four-year degree completion are meeting their goal. Of freshman entrants graduating in 2015-16, 86% registered for 12 or fewer quarters. For students finishing in the three most popular departments, the percent finishing in 12 or fewer quarters was 91%.

The average time to degree was 12.0 registered quarters (excludes time off) for freshman entrants who graduated in 2015-16; students who entered as transfers and graduated in 2015-16 registered for an average of 6.4 academic quarters. Of these transfers, 75% registered for 6 or fewer quarters.
