### FIELDS OF STUDY: NEW UNDERGRADS

## FIRST-YEAR EXPERIENCE

The first year at UCLA is the first year of a great adventure. Students find friends, their academic passion, even their lifelong mission in this diverse community of highly motivated scholars. With 134 undergraduate majors and more than 4,000 courses, UCLA offers an unparalleled range and variety of study options.

Most freshmen begin their academic program during the summer in New Student Orientation, where 99% of new freshmen meet with academic advisers and sign up for their first classes. Beginning in Fall Quarter, programs like the True Bruin Welcome, *Fiat Lux* seminars, Cluster courses, and the Common Experience program provide shared experiences that set many freshmen on the path to their future. New transfers come to UCLA having already selected a discipline of study and prepared for advanced instruction that further hones their expertise and focuses their direction.

Whether coming to campus as freshmen or transfers, UCLA students can expect to strengthen both academic and interpersonal skills, build supportive relationships, and complete their undergraduate experience with a profound sense of belonging and accomplishment.

“ I LEARNED HOW TO THINK CRITICALLY, BE OPEN-MINDED, AND PURSUE EXCELLENCE IN MY STUDIES. I LEARNED HOW I MOST EFFECTIVELY STUDY, MY STRENGTHS AND WEAKNESSES, AND WHAT TRUE LEADERSHIP LOOKS LIKE. ”

## TRANSFERS

Transfer students enter UCLA as juniors (third-year students), having taken enough courses at another institution to finish a bachelor's degree in two more years.

In Fall 2021, transfers accounted for 34% of new undergraduates, with 91% coming to UCLA from 105 different California Community Colleges, making a total of 97% from California's system of

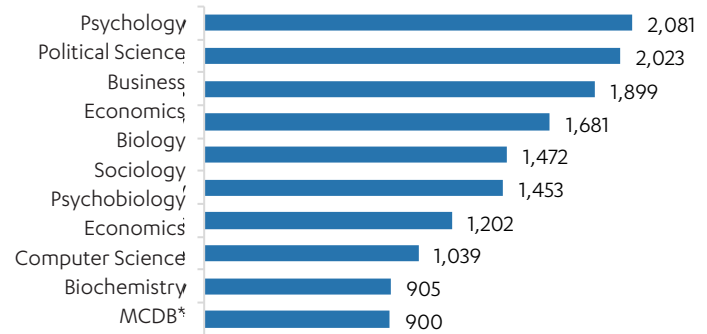

public higher education—including 11 California State Universities and all 8 of the other UC campuses offering undergraduate programs.

In the degree year 2021-22, 37% of bachelor's degree recipients had started UCLA as transfer students. Graduation rates for transfers are comparable to those for freshman entrants.

## MAJORS

The College of Letters and Science is home to most of UCLA's undergraduate majors, with additional undergraduate degree options offered by seven distinguished professional schools: the Herb Alpert School of Music, the Luskin School of Public Affairs, the Samueli School of Engineering, School of Education & Information Studies, School of Nursing, School of the Arts and Architecture, and School of Theater, Film, and Television.

### IN FALL 2021, UCLA OFFERED 134 UNDERGRADUATE MAJORS. THESE WERE THE TOP 10.

\*MCDB stands for Molecular, Cell and Developmental Biology

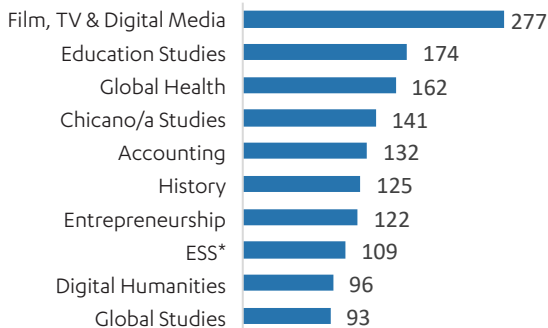

## MINORS

UCLA offers more than 90 undergraduate minors—programs that provide in-depth study in a subject outside the major without the level of coursework required to complete a second major. One in four undergraduates completes a minor program in addition to the degree major.

### TOP 10 MINORS

\*ESS stands for Environmental Systems and Society

Minors are offered by the College and by seven schools with undergraduate majors—the School of the Arts and Architecture, the Herb Alpert School of Music, the School of Theater, Film, and Television, the Samueli School of Engineering, the Luskin School of Public Affairs, the School of Education and Information Studies, and the Fielding School of Public Health. The Anderson School of Management offer minors to undergrads who want to explore this advanced field. Minors such as “Food Studies” and “Disability Studies” are interdisciplinary programs designed by collaborating faculty from different fields of study.

## UNDERGRADUATE RESEARCH OPPORTUNITIES

Many undergraduates think of research as something reserved for graduate students, but more than half of UCLA bachelor’s degree recipients graduate with research experience. At UCLA, research experiences are available to undergraduates through specialized courses, seminars, tutorials, and departmental honors programs. Two undergraduate research centers—one focused on science, math, and engineering and the other on the arts, humanities and social sciences—give students access to research projects, scholarships, and other opportunities. Working with a professor on a research project is not just for graduate students; from their first day at UCLA, new freshmen and transfers can participate in research or creative projects under the direction of a faculty mentor through the Student Research Program.

## UNDERGRADUATE EDUCATION AND INITIATIVES

- 2,888 instructional faculty teaching 4,077 courses in more than 134 undergraduate majors
- Entrepreneurship minor and programs designed to give students opportunities to learn the basics of startup thinking and to provide a community where students can develop and launch their ideas
- More than 100 small group seminars with faculty from across the campus through the Fiat Lux program
- UCLA Cluster Program: year-long learning communities focused on interdisciplinary themes of enduring importance
- University Studies: courses specifically designed to help students transition into and succeed at UCLA
- Honors Programs: individually tailored, interdisciplinary-focused undergraduate experiences
- Capstone majors available in all undergraduate divisions, including research, creative performance, product design, community service, and leadership projects

## EXPENSES

2021-22 IN-STATE BUDGET		\$ 36,297

OUT-OF-STATE BUDGET		\$ 66,051
Tuition and fees	43,012	
Health insurance	2,779	
Room and board	16,783	
Books and other supplies	1,404	
Transportation	606	
Personal expenses	1,467	

Academic year budget for students living on campus.

## FINANCIAL AID

In the 2021-22 academic year, 63% of undergraduates received need-based scholarship or grant aid, with an average award of \$22,031. Of UCLA’s 2021-22 graduating class, 68% had no student loan debt, and the 32% who did borrow had an average debt of \$16,102—well below the national average.

Thanks to UCLA’s Blue + Gold Opportunity Plan, California residents whose family income is less than \$80,000 are guaranteed grants (institutional, federal, and state) that fully cover UC tuition and fees. Nearly 28% of undergraduates receive a Federal Pell Grant.

## ACTIVITIES OUTSIDE THE CLASSROOM

### Student Groups:

- From the Engineering Society to Grupo Folklorico to UCLA Wushu, nearly 1,400 student groups offer every undergraduate a place to find kindred spirits
- 73% of undergraduates participate in student clubs or organizations; 31% are active more than 5 hours a week

### Community Engagement:

- The Center for Community Engagement facilitates academic courses with 30 departments, integrating community-engaged learning and research
- 56% of undergraduates perform community service or volunteer activities; 16% spend more than 5 hours a week on service activities

### Jobs and Career Preparation:

- The Career Center supports Bruins in finding and applying for internships, campus work, research positions, and other experiential learning opportunities
- Before graduation, nearly half of UCLA students have at least one internship

### Recreation:

- UCLA Recreation affords access to world-class facilities and organized activities, both on and off campus. The Club Sports program consists of more than 50 clubs and over 2,800 participants
- 84% engaged in some form of physical exercise or recreational sport; 36% exercised more than 5 hours each week

“ I REALLY LOVE UCLA AND THE LARGE-SIZE POPULATION WITH A DIVERSE SET OF OPPORTUNITIES (CLUBS, RESEARCH, STUDY ABROAD, ETC.) ALLOWED ME TO EXPAND MY HORIZON IN WAYS I COULD NEVER IMAGINE WHEN I WAS STILL IN HIGH SCHOOL. ”

## GRADUATION RATES

With graduation rates for undergraduates at UCLA now exceeding 90% for both freshmen (six-year rate, includes time off) and transfers (four-year rate, includes time off), average time to degree continues to improve. Below are the most recent freshman and transfer graduation rates:

### FRESHMEN

85% graduate in 4 years or less  
91% within 5 years  
92% within 6 years  
92% eventually graduate from UCLA

### TRANSFERS

74% graduate in 2 years or less  
91% within 3 years  
94% within 4 years  
94% eventually graduate from UCLA

Graduation rates and time-to-degree data are based on bachelor's degrees awarded through Summer 2022.

## DEGREES AWARDED

<b>ALL DEGREES</b>	<b>14,957</b>
Bachelor's degrees	9,953
Master's degrees	3,601
Doctoral degrees	797
Professional Practice degrees	606

### UNDERGRADUATE DEGREES

Social Sciences	3,407
Life Sciences	2,816
Physical Sciences	1,234
Engineering	1,073
Humanities	851
Arts & Architecture	170
Public Affairs	108
Theater, Film & TV	102
Music	93
Nursing	55
Education	44

Degrees awarded from Fall 2021 through Summer 2022.  
Data current at time of print.

## SUMMER

Summer programs continue to be popular at UCLA. Nearly 79% of undergraduates complete at least one Summer Sessions course as part of their studies. More than 13,965 UCLA undergraduates attended Summer Sessions in 2022. Students may participate in summer programs at any point during their undergraduate careers, which can assist in managing their degree progress.

From the College Summer Institute, which enrolls participating freshmen in classes for credit prior to their first Fall Quarter, to Summer Travel Study, where students earn credit for academic courses taken abroad, summer programs provide flexibility and variety. More than 913 of UCLA's academic courses—including online classes and courses from every College division and every professional school with an undergraduate program—are offered during the summer.

## FIRST GENERATION

More than one-third of undergraduates earning a degree in 2021-22 were first-generation college graduates, with neither parent having a 4-year degree. These students were well represented by both freshmen and transfers, with 54% of first-generation graduates starting as freshmen, and 46% starting as transfers. The most recent graduation rates for first-generation degree recipients are 89% (six-year) for freshman entrants and 91% (four-year) for transfers.

## TIME TO DEGREE

UCLA students who focus on four-year degree completion are meeting their goal. Of freshman entrants graduating in 2021-22, 94% registered for 12 or fewer quarters. For students finishing in the three most popular departments, the percent finishing in 12 or fewer registered quarters was 97%.

The average time to degree was 11.6 registered quarters (excludes time off) for freshman entrants who graduated in 2021-22; students who entered as transfers and graduated in 2021-22 registered for an average of 6.1 academic quarters. Of these transfers, 85% registered for 6 or fewer quarters.
